Let us pray, 

Dear Lord Jesus, we thank you for your unconditional love and forgiveness. Give us realization to understand that our greatest treasure is you who never kept anything for yourself but gave everything including your life to save us and to give us new life in you. Let your love give us grace to be thankful and acknowledge you for all that we have and not to be selfish but to share everything with one another especially those in need. In Jesus' name we pray, amen.
