

GOD IS LOVE (1 JOHN 4:8)

Have we ever thought of God's love? How can we reach to this amazing God's love? For the love of God to fill in us, we must crush some jumbled-up things in our heart with the help of Jesus who is God's love. So, shall we start? For this you need a pencil. Let us imagine our pencil as Jesus without whom we cannot do anything.

First, let's unscramble the scrambled-up things of our heart.
